

OPEN FAST PATH CONTRIBUTION LICENSE AGREEMENT

TERMS AND CONDITIONS

To clarify the intellectual property license granted with Contributions from any person or entity, the Open Fast Path Foundation (the "**Foundation**") must have a Contributor License Agreement (the "**Contribution Agreement**") on file that has been signed by each Contributor, indicating agreement to the license terms below. Signed Contribution Agreement has to be sent to dedicated email address. This license is for Your protection as a Contributor.

This version of the Contribution Agreement allows an entity (the "**Corporation**") to submit Contributions to the Foundation, to authorize Contributions submitted by its designated employees to the Foundation, and to grant copyright and patent licenses thereto.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Foundation. In return, the Foundation shall not use Your Contributions in a way that is contrary to the public benefit or inconsistent with its nonprofit status and bylaws. Except for the license granted herein to the Foundation and Recipients of software distributed by the Foundation, You reserve all right, title, and interest in and to Your Contributions.

1. **Definitions.**

- a) "**You**" (or "**Your**") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Contribution Agreement with the Foundation and who authorizes use of the Contribution under this Contribution Agreement.
- b) "**Contribution**" shall mean any original work of authorship, including any copyrightable modifications or additions to existing Codebase, that is intentionally submitted by You to the Foundation for inclusion in, or documentation of, any of the code base relating to the Project owned or managed by the Foundation (the "**Codebase**"). For the purposes of this definition, "**submitted**" means any form of electronic, verbal, or written communication sent to the Foundations or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Foundation for the purpose of discussing and improving the Codebase, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution". "Recipients" may be individuals, companies or organizations directly or indirectly.

2. **Grant of Copyright License.** Subject to the terms and conditions of this Contribution Agreement, You hereby grant to the Foundation a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. **Grant of Patent License.** Subject to the terms and conditions of this Contribution Agreement, You hereby grant to the Foundation and to recipients of software distributed by the Foundation a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Codebase, where such license applies only to those Patent Claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Codebase to which such Contribution(s) was submitted. For the purpose of this Section 3 “**Patent Claims**” shall mean all patent claims included in any granted patents or patent applications owned or controlled by You from time to time, but do not include patent claims that would be infringed only as a consequence of further modification of Your Contribution. For purposes of this Section 3, “**control**” shall include the right to grant patent sublicenses in a manner consistent with the requirements of this License.

If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Codebase to which You have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Contribution Agreement for that Contribution or Codebase shall terminate as of the date such litigation is filed.

4. Except as specifically set forth in Sections 2 and 3 above, no other rights or licenses in or to Your Contributions are assigned, granted, or implied under this Contribution Agreement.
5. You represent that You are legally entitled to grant the above license. You represent further that each employee of the Corporation designated on Schedule A below (or in a subsequent written modification to that Schedule) is authorized to submit Contributions on behalf of the Corporation. It is Your responsibility to notify the Foundation when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the Corporation's point of contact with the Foundation.
6. You represent that each of Your Contributions is Your original creation (see Section 9 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.
7. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on as "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NONINFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
8. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or

agreed to in writing, shall Foundation be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this Contribution Agreement or out of the use or inability to use the Codebase (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if Foundation has been advised of the possibility of such damages.

9. Should You wish to submit work that is not Your original creation, You may submit it to the Foundation separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
10. You agree to notify the Foundation of any facts or circumstances of which You become aware that would make any representations made by You hereunder inaccurate in any respect.

IN WITNESS whereof the Corporation hereto have caused this Contribution Agreement to be duly signed and executed on the date written below.
